

Cottonwood Palo Verde Golf Committee Meeting, September 3, 2025

Here are the highlights, in no particular order:

Old Business:

- The **5 Year Plan** was presented. The Routine Golf Operations and Maintenance Practices have been separated from the Plan. Both documents were reviewed by the Committee and a motion was made and seconded the Plan be sent to the BOD for approval.
- **Joey** provided an update on the Jonas Scheduling program. As soon as questions submitted are answered, we will roll out. Going forward, Golf Genius will do all league invites for weekly play; players will simply respond to emails sent by Pro Shops with a “yes” or “no”. Jonas will be used for tee times outside of league play. More information will come as we approach roll-out.

New Business:

- Jon provided a power point presentation showing the proposed rates for 2025/26 golf year (attached).
- League Calendar booklets and the Golf Information Booklet will be published in house and available October 15 when membership sales begin.

Questions from visitors:

Answers to these questions from the visitors will be listed in a FAQ sent to Golf Community:

1. What are the cost saving areas this year that have helped to improve the golf financials?
2. Why is the league rate for the CW Lady 9ers going from \$45 to \$60 for November and December, and can that be reconsidered?
3. Has the Committee considered a family plan?
4. How much for golf cart rental and why not increase?

Recommendations for the Board:

- Recommendation to approve the 5 Year Plan
- Recommendation to approve the Proposed Rates Schedule presented at the Meeting

The next meeting will be held October 1 at 2:00 p.m. in the Phoenix Room
